Please answer the questions as completely as possible. Please use this file to type out the answers

Have you applied
here before? _____

Are you interested in
PolySat or CubeSat? _____

What is your availability during the summer?

How did you hear about PolySat/CubeSat?

Tell us about your expected graduation date at Cal Poly (e.g. What year are you? Are you a transfer student?)

How do you plan on managing your time? If you are currently involved in any other clubs or organizations, how will you balance your schedule? Do you plan to continue participating in them if accepted to PolySat/CubeSat? How much time can you dedicate to PolySat/CubeSat?

Talk about something you've worked on that you're proud of, and explain why you're proud of it.

Cal Poly has lots of exciting opportunities to apply the skills you learn in your classes. What appeals to you about joining PolySat/CubeSat?

What are you passionate about, and why?

Please attach a resume and project portfolio if possible to the application
